

Campbell Christian Schools

PTF

Parent Teacher Fellowship

Dear Parents,

Each year at Campbell Christian School, the **PTF** is responsible for conducting a major fundraiser effort. While your tuition payments provide the financial foundation upon which the academic curriculum is built, our fundraising efforts add a critical dimension which keeps the educational experience at **CCS** ahead of the competition.

100% of all earnings directly benefit our teachers & children

The funds raised through this sale go directly to your children's teachers to improve curriculum and add new and beneficial programs.

For example:

- New Instruments for Music to move the exciting program forward.
- An award-winning P.E. curriculum program that will maximize the individual benefit to each child, allowing for developmental differences.
- An institutional-quality 6 infant stroller that Pre-School has selected.

While P.E., Music, and Art programs are rapidly disappearing from the public education landscape, **CCS** teachers are developing new ideas to further develop these programs for the 21st century. The **PTF** Fundraiser provides **CCS** teachers the funds to keep learning materials fresh and make classes exciting.

We have partnered with Great American Opportunities in order to provide many more exciting new offerings, easy web ordering, and an exciting prize promotion program to stimulate our participating students.

If for any reason you cannot devote the effort to actively assist us in reaching our fundraising goal, we ask that you consider exercising the Opt-Out Alternative option by making a tax-deductible contribution directly to **CCS-PTF**.

Thank You!

Allison Birdsall, Sandra Gaedke, Lisa Wilson and Tiffany Thornton
